

Incoming Freshman & Advanced Players

San Clemente Soccer Clinic

For Boys & Girls Aged 11-15

Introduction to High School Soccer.....

Join the Coaching Staff of the 2010-2011 #1 Ranked High School team in California. The clinic will be directed by Coach Michael Pronier who is in his 24th year as Head Coach and once played at San Clemente High School. During the 2011 season Coach Pronier surpassed his 250th High School victory and was selected as the CIF Division I “Coach of The Year” and the Orange County Registers’ All-County Coach of the Year. Joining Coach Pronier for specific training sessions will be varsity assistant coaches Shea Weber and Chris Wagaman. Also making an appearance will be Bob Ridley a professional coach and player in Europe and the United States for over 30 years. Coach Ridley has been working with the Tritons for the last ten years and last year was the Head Coach at San Juan Hills. Also instructing your child will be Jesse Hardeman (F/S coach), Chris Murray (JV Coach & Director of S.C. United), and several selected College Players. Young players that attend will not only receive quality coaching but will meet the coaches they may one day play for. Get an early start on becoming part of a proud tradition. All players will be able to practice and play on the Tritons “field turf” stadium field.

***Each player receives a “Triton Soccer State Championship” commemorative t-shirt.**

Since 1990 our clinics at the San Clemente Soccer Camp have helped over 3,000 young players improve their skills. We offer some of the lowest prices and player to coach ratios anywhere! Our ability to work one on one with developing players is just one reason we receive praise from both parents and players alike. Young players need solid skill instruction to improve!! This clinic will not only challenge the players to develop their skills under pressure, but will expose them to the mental and physical demands expected from today’s competitive player. Accelerated tactics and strategy will also be covered. This soccer clinic will help qualified players transition to the next level. However, Summer camps, are not required and do not guarantee placement or eligibility for a high school team or program.

August 1st – 4th (Mon-Thurs.) 9:00am – 12:00pm @ SCHS

Players that sign up will focus on improving skills, developing team concepts, and understanding the expectations for today’s high school soccer player. This clinic is a great introduction and head start for Incoming Freshman that will be trying out at SCHS this year! **FOR QUESTIONS CALL COACH PRONIER @ (949) 498-4816**

The total registration fee for this session is \$95.00: Space is limited so mail your check (made out to SCSC)

and the application below to: Coach Pronier: 339 Avenida Vaquero, San Clemente CA. 92672 OR
