SUMMER 2011 - INFORMATION For Incoming Freshmen

All incoming freshman girls interested in trying out for the team next season are strongly encouraged to participate on our summer teams. We will carry 36 girls next season in our program, dispersed into three teams: Varsity, JV and Frosh-Soph. Official tryouts and team placement decisions will not take place until October, however, this summer is an opportunity for the coaching staff to work with all the potential girls, to prepare them for tryouts. We are always looking for freshmen who have experience playing at the Boys and Girls Club, or NJB. This year we had 14 Freshmen girls in the program! We strongly encourage you to start getting involved this summer.
